

LIVE A COASTAL VILLAGE LIFESTYLE

A BEACHSIDE COMMUNITY FOR ACTIVE FAMILIES.

When we created Vista Singleton Beach, we had a vision: a vision of a relaxed seaside community embracing an active, coastal lifestyle.

We talked to people and asked them what they really wanted in a beachside estate. The resounding answer was an inclusive community with village style living that promoted and encouraged an active lifestyle, while making the most of its coastal surroundings, with plenty of amenities on offer for young families.

That's why at Vista there will be places to relax, play, shop, eat, exercise and meet the neighbours; places that will get the whole family off the couch and into the fresh seaside air with friends.

Vista has also been designed to have no through-roads, a unique feature of an estate this size.
